The Forest Ridge family has lost a dear friend. Doug Shrout, retired Vice President of Development with The Robson Companies, passed away on March 27th after a long battle with his health. Doug's achievements can be seen everyday, from the first homes in Oaklane to the golf course to every neighborhood in Forest Ridge. His dedication to this community, his knowledge and judgment, compassion for others and unceasing wit will be forever missed. Please keep Doug's wife Carol and the rest of his family your thoughts and prayers.

## HOA Board News

By HOA President Gil Dahl

We have heard of excessive car break-ins within Forest Ridge and the Broken Arrow area. To avoid theft, be sure to lock all car doors and remove any valuable items or packages. It seems the thieves are only hitting the vehicles that are unlocked. If you have any concerns please report any suspicious activity immediately to the Broken Arrow Police Department.

Forest Ridge is a beautiful place to live and we appreciate all of you for selecting it to be your home. Forest Ridge has Covenants, Conditions and Restrictions (CC&R's) as well as Design Guidelines which are loved by most of our homeowners. We continually have issues of modifications with home improvements not being within accepted standards. If you have any interest in making any modifications to your home, please make it a priority to read the CCR's and Design Guidelines. This will ultimately help the community. At any point, if you have any questions please feel free to call your Neighborhood Representative and/or Melinda at 918-357-4402.
